Gift Aid is a scheme by which, if you pay income tax, you can give a sum of money to charity and the charity can reclaim from the Inland Revenue the basic rate of tax on your gift. That increases the value of the payment you made to the charity. For example the £10 subscription, *with your agreement*, is worth £12.50 (£15 pounds pro rata) to the Society. If you are a higher rate taxpayer, you can claim relief on the difference between the basic rate and the higher rate of tax.

Please return this form, with subscription, to Mr Philip Blair, Lecale & Downe Historical Society, 6 Monabot Road, Downparick, Co. Down BT30 6PG.
